ACKNOWLEDGEMENT

It gives us a great sense of pleasure to present the Internship Report undertaken as a part of the B.Tech. curriculum. We express our sincere gratitude to the Internship Coordinator, Department of Computer Engineering/Information Technology , ABES Engineering College, Ghaziabad, for providing us with valuable guidance, support, and encouragement throughout the internship. The continuous support and coordination provided during the internship period played an important role in the successful completion of our internship and preparation of this report.

We also take this opportunity to express our sincere gratitude to Associate Professor, Dr. Deepali Dev, Head of the Department of Computer Science & Engineering-AIML, ABES Engineering College, Ghaziabad, for her valuable support, encouragement, and assistance throughout the internship.

We would also like to express our sincere thanks to our Industry Mentor/Supervisor and the organization where we completed our internship for providing us with the opportunity to gain practical knowledge and exposure to a professional work environment. Their valuable guidance, technical insights, and support helped us enhance our skills and successfully accomplish the objectives of the internship.

We sincerely acknowledge and appreciate the support of everyone who contributed to the successful completion of our internship.
